MARKET PROBLEM

Pet Owners Expect Mobile Tools, Not Desktop-Only Portals

Daily pet routines happen on phones. A live Play listing is the distribution path for that habit.

WHERE PET CARE APPS FAIL

01
No install path
Owners cannot find the product.

02
Cluttered home
Too many features on first open.

03
Weak reminders
Care tasks get forgotten.

04
Retail disconnect
Commerce feels bolted on.

05
Unstable releases
Crashes kill trust.

06
Metric invention
Fake engagement claims.

THE PET CARE LOOP

01	02	03	04	05	06
Install	**Profile**	**Care**	**Discover**	**Act**	**Return**
Play Store	Pet setup	Daily tasks	Tips / products	Book or buy	Routine

PRODUCT PRINCIPLE

Lead with the live listing and one clear care path; keep retail KPIs out until measured.
